Step 1 – Became an official member of Penya Blaugrana Amsterdam. Sign up link in:

Step 2 – Pay the right to request tickets to Penya Blaugrana Amsterdam (10 Euro per person per year – 2025 – this amount won't be returned if tickets aren't assigned in the draw). You can buy Penya Scarf for 15 Euro and get the right for free.

Step 3 – (Optional) Select the game you are interested and select Pre-book.

***Important note:** this step is only to let your Penya know you are interested in requesting. Pre-booking is not an application request.

Step 4 - When status "Application" is available, you can now book the entrance to the draw for the selected away ticket draw. This can be done by clicking the Application button and reading and accepting the terms and conditions.

Step 5 – Pay the ticket to the Penya. Join our [WhatsApp group](#) to pay the ticket. This is to filter out any fans who potentially are requesting tickets but are still not sure on their attendance. In case you do the request and cannot go, you will NOT be reimbursed from this step onwards. In case you don't pay by the required date, your application request will not be accepted by the Penya.

Step 6 - Penya managing: Once you have submitted your request, if you have done all the steps previously mentioned, the Penya Management board will approve your request. In case you have not performed one of them, the Penya Board will decline your request. Don't worry about this status, if you have completed all steps, the Penya Board will manage your application and submit it for you.

Step 7 - Your Penya Board will inform you whether you have been awarded with tickets for the draw or not. In case you haven't you will receive the amount paid for the tickets back.

Step 8 – Pickup tickets on site during gameday in the city of the away game. Note all tickets are nominal and cannot be transferred. Penya Blaugrana Amsterdam advises NOT to trade with nominal tickets and enforces this.
